If you've just married, it's likely that you'll change your last name, but it may be true if you've just gone through a divorce. The change of name must complete some legal processes in order for the change to be formalized. Although this may feel like the end of the renaming process, it doesn't take care to change your name anywhere. Can you change your name on your credit card? The short answer to this question is yes, you can change your name in your credit account and many card issuers will help you oversee this change by phone or online. As long as you go through your legal renaming process, you should be able to present your new documents, such as an updated Social Security card and driver's license, so that your name changes on your credit card. Your new card waiting time will vary, but you should receive an updated card within a few weeks after your request is submitted. Changing a name for one credit card can be an easy process. However, if you have multiple cards that need to be updated, be prepared to invest a bit more. Each card issuer has a different process for managing the name change. Many allow you to complete the process over the phone or online, but others will require you to show at a physical branch. This can be a fairly long process if you have to do this for multiple cards, and if there are any errors regarding the default name change, you will need to fix it before you can update your credit card. While updating all your cards may take some time, the process is important to complete. Having a single name on your ID and another name on your credit card can be confusing. It can also raise suspicion from merchants and card issuers. Having a card and a mismatched ID is a red flag for identity theft. As a result, you may be asked to provide additional IDs to complete the transaction, and in the worst-case scenario, the merchant may not accept your card. Changing your name to your card issuer, the card issuer will handle the name will change slightly. This is a basic step for some major card issuers, And American Express, to change your name to American Express, you'll need to fill out a name change authorization form through your online account. When you log in, click the Edit button next to your name to open the Form, get ready to attach an updated copy of the state-issued ID, driver's license or passport. Your new name, American Express, will automatically send you a new card once your request has been processed. Bank of America to change your name to Bank of America, you will need to go to their financial center manually. Use a government-issued ID card and any additional documents (birth certificate, marriage certificate, royal decree, divorce, etc.) only in your situation. Colleagues will issue the form needed to change your name and assist you in obtaining a new credit card. If you do not live near a Bank of America branch, you can contact their customer service line at (800) 432-1000 for help changing your name. Bring the original of the relevant documents, such as marriage certificate or divorce decree. If you don't live near the Barclays location, you can call their customer service line at (866) 928-8598 for help with how to change your name. Capitalization OneCapital One manages mailing renames. To change your name with them, you will need to submit a signed and dated written request within the last 60 days, a copy of the legal document showing the name change and the W-9 form signed with your new name. If you just fix the error in your name, you can submit the W-9 form with a correction. Once you have prepared those documents, send them to Capital One, P.O. Box 60, St. Cloud, MN 56302. When your account displays a new name, you'll need to call (888) 464-0727 to request a new credit card with an updated name. Chase requires you to fill out the account owner name change request form. When you're done filling out a form, you'll be You can fax the form to (800) 805-3909 or by mail to the following address: J.P. Morgan Securities LLCAttn: Account Processing IL1-0291 4th Floor 131 South Dearborn StreetChicago, IL 60603-5506 If you want to submit the form by email, just fill in the sign and date, then follow these instructions. To get information about your specific situation, call the number on the back of the card. For some name change, you can process your data by phone, while other situations may require you to submit supporting documents. In those cases, the request takes about five days to process when your document is received, DiscoverDiscover allows you to change your phone name by calling (800) 347-2683. The staff will respond to your request to let you know what documents are needed to move forward. Once your changes have been confirmed, it should be taken immediately. After You can expect a new card with your updated name to be delivered within seven business days. Wells Fargo must change its name to Wells Fargo. Use an enhanced photo ID and an original copy of any document that supports changing your name. Wells Fargo representatives will copy and file the necessary documents and update the records with your new name. A new credit card will be sent when the process is complete. To complete the renaming with USAA, you will need to start the telephone process. The dialing number is (800) 531-8722. What to expect after renaming, you have completed the rename request, make sure that the updated information is correct. If you notice a typo, contact your card issuer immediately. Typo may be a sign that your data has been mixed with someone else, but it may signal something more serious, such as identity theft. In any case, you should bring the issue to the attention of your issuer as soon as possible to get it resolved. If your name request passes without typos or errors, you'll still have to deal with the transition period while you wait for all updated cards to arrive. During this time, you may handle mismatched IDs and cards. In case if you are worried that changing your name will mean starting with your credit report, you can breathe relief. While your name is a factor for your credit report, that's not a single name. As a result, your credit report should automatically update your name to your new name so that there is no interruption to the credit report. However, to make sure that you can request a credit report to verify that your name is updated without errors, you can use the following error: Error
